

Maximize Your Savings with Energy Saver North Carolina Program

Find Out If You Qualify for Full or Partial Project Coverage

To determine if you meet the income guidelines for the **Energy Saver North Carolina** program, you'll need to compare your household income to the Area Median Income (AMI) limits based on your household size. Here's how it works:

- **100% Coverage:** If your household income is less than 80% of the AMI, you can get 100% of project costs covered, up to \$14,000.
- **50% Coverage:** If your household income is between 80% and 150% of the AMI, you can get 50% of project costs covered, with a range of \$4,000 to \$14,000.

To determine your eligibility:

- Find your household size on the AMI chart.
- Check the corresponding income limit for 80% of the AMI.
- Compare your annual household income to this limit.

If your income is below the 80% AMI limit, you qualify for 100% coverage. If your income is between 80% and 150% of the AMI, you qualify for 50% coverage.
